Did You Know

DID YOU KNOW?

There are over 1 billion people worldwide living with disabilities, making up a substantial 16% of the global population, or 1 in every 6 of us. Behind these statistics lie individuals, each with a unique story, a perspective that enriches our collective understanding, and untapped potential ready to be unleashed.

At RBPS our students and staff demonstrate our PBS value of being 'Inclusive' by including others, respecting personal beliefs and cultural differences and accepting that everyone has different abilities.

Consider:

The small actions you can take in your daily life to promote inclusivity and accessibility.

Practice:

Amplifying under represented voices in your workplace, social circles and media choices.

Decide to:

Promote diversity, equity, and inclusivity.

True progress isn't a solo act; it's a symphony of diverse voices, backgrounds, and abilities converging, not merely acknowledged but wholeheartedly embraced and empowered. Together, we have the power to shape a world that is radically inclusive, where equity and vibrancy flourish for each and every one of us.

From the Principal

Kaya,

Dear Parents and Community Members

Rockingham Beach Primary School has been a hub of activity over the past couple of weeks, culminating in Learning Journey on the 29th August. This afternoon is a very popular event on the school calendar where the school community comes together and celebrates all the wonderful learning and work that the students have been involved in.

Thank you to our students who expertly led their personal learning journeys for their families. Special thanks to our teachers and our specialists who ensured that families could visit their rooms and show the amazing work our students have been doing. We had an amazing 70% of our families sign in with 63% attending between 2:30 and 3:00pm. Thank you for your support of this very important event in your child's education journey.

RUOK? Day

Thursday, 14 September is RUOK? Day, a National Day of Action reminding everyone that every day is the day to ask RUOK, and to support those struggling with life's ups and downs. Looking out for one another and offering support is a key life skill for all ages. Teachers have been working on a variety of RUOK? activities leading into the day that complement our comprehensive teaching approach to health and wellbeing.

Dress Code

It is important that all children adhere to the school dress code. We are seeing some children wearing different colour clothes items. All parents are encouraged to complete an online order through Uniform Concepts in Port Kennedy to ensure all children are in full school uniform.

Kind Regards

Denise Duffy

Principal

We are a **NUT FREE SCHOOL** so be mindful of this when preparing your children's lunch and snacks. Please ensure your children are fuelled for learning by providing healthy and filling recess snacks and all classes promote Crunch & Sip during class time.

Rockingham Beach Primary School wishes to acknowledge the traditional custodians of this country and pay respects to elders past, present and emerging.

Please save the date for the first Rockingham Beach Primary School "Happy Walk" to celebrate our school values, on the afternoon of Friday 24th November.

Families are invited and further information will be provided in week 3.

Student Voice

Using Student Voice at Rockingham Beach Primary School.

Two weeks ago, our Class Representatives asked their class the following question:

“If there was an opportunity for some organised playground activities, what would you like these to be?”

Class Representatives took their feedback to their weekly meeting with Melissa, our school chaplain and shared it with the group. Suggestions were collated and shared with Mrs Magowan. One of the suggestions was to have referees at some of the sports played at recess and lunch. Mrs Magowan shared this idea with Mr Leahy and the Student Leaders.

The Student Leaders have put this suggestion into action, inviting students in years 5 and 6 to be part of a group of referees rostered on to referee soccer, basketball and volleyball games.

The outcome is that we now have students refereeing games making these games safer and more structured for those students who wish to participate.

National School Opinion Survey

Our school strives to be the best school in Western Australia, and as such, we seek feedback on how we are performing in your view.

Please complete the National Schools Opinion Survey 2023. Your responses are anonymous.

I encourage you to think about your school based interactions and experiences during 2023 and let us know how well or otherwise the leadership, educators, staff and programs served you, your children and your family.

The survey will remain open until Friday 22/09/23 so that the School Board may review response trends and plan improvements at our next meeting. Thank you for taking a few minutes to share your thoughts.

2023 My Place Competition: Play and Imagination

The 2023 My Place Competition theme is 'Play and Imagination'.

This creative writing competition is open to primary students in Years 1 to 6, secondary students in Years 7 and 8, and special education students of all ages. Entrants are asked to explore how children throughout history have used their imaginations to play, and what their play might tell us about life in the past, present and future.

The competition runs during Term 3, with submissions being accepted between 28 August – 29 September. Winning entries will be announced in Term 4.

Background Information: The My Place television series, based on the classic picture book by Nadia Wheatley and Donna Rawlins, is a 'time machine' which takes audiences back into the past. It depicts the history of one Australian community through the eyes of the diverse children who lived there, highlighting the ways that people and places shape our personal, local and national histories. The Australian Children's Television Foundation has offered a student writing competition based on the themes in My Place since 2018. Categories

- Year 1 and 2 – Up to 200 words
- Year 3 and 4 – Up to 500 words
- Year 5 and 6 – Up to 750 words
- Year 7 and 8 - Up to 1000 words
- Special Education – No word limit

What to Write About: Participants are invited to submit a short piece of creative writing about children's play and imagination. This could include narratives, historical recounts, letters, diary entries, news reports, poetry, or other forms of creative writing. Connection to this year's theme is considered throughout the judging process.

Student Safety

We would like to remind students to take care when out and about in the community and when going to and from school. We encourage all families to talk to children appropriately and regularly about all aspects of child safety.

If children see anything suspicious, they should report it to their parents, the school and the police. You can call 13 14 44 to report an incident to WA Police (only use 000 in an emergency) or 1800 333 000 to reach Crime Stoppers.

Different families will have different strategies and rules depending on their own circumstances, the routes that children take to school and if they visit friend's houses on the way home or not. However, below are some suggestions that might help to keep children safe and to assist parents frame a conversation with their kids:

- where possible, always travel in a group.
- walk on the right-hand side of the road to face oncoming traffic.
- wherever possible, leave space between you and the roadway.
- stay in areas that are well lit.
- stay in view – avoid going into areas that are hidden (such as parkland bush or behind shopping centres).
- be alert – earphones and headphones can reduce your awareness considerably.
- if you have a mobile phone, have it turned on and ready to dial an emergency number.
- if a passing car stops nearby, never get too close.
- run from a situation if you feel at risk.
- give this advice to your brothers and sisters, especially if they are younger.
- report suspicious behaviour to your parents, school and the police.
- if you can get it safely, try to photograph or remember the number plate of a suspicious vehicle.

- report number plates of cars and the clothing or distinguishing features of suspicious individuals to police.

To get the latest community safety information from police, visit WA Police on Facebook www.facebook.com/WA.Police or online at www.police.wa.gov.au.

School Parking & Roadworks - From City of Rockingham

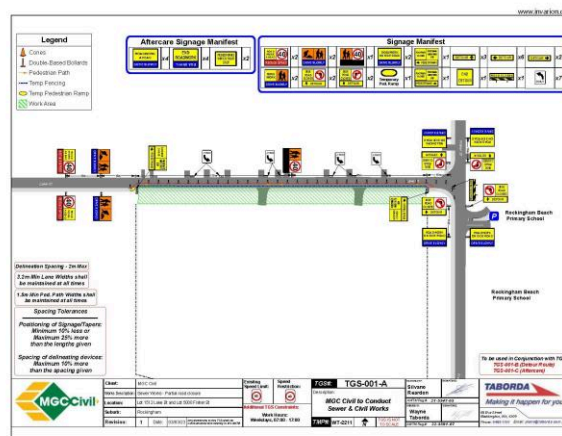

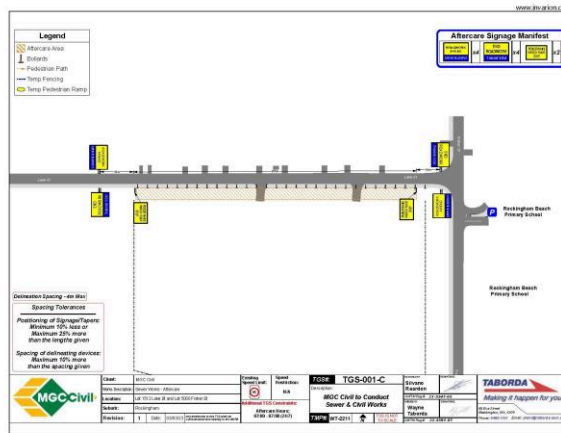

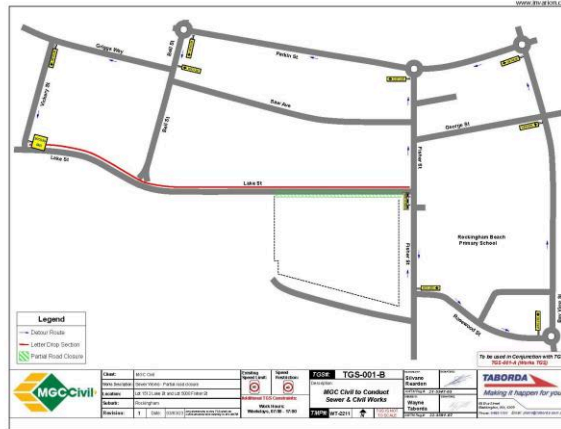

Good Afternoon

We would like to remind all parents and caregivers about the importance of safe and responsible parking around our schools.

The City's Rangers regularly receive complaints about the parking during student pick-up/drop-off times and regularly undertake patrols around our schools to ensure access and safety for the community is upheld.

Should you have any specific parking safety concerns, please do not hesitate to contact Rangers via customer@rockingham.wa.gov.au

Uniform Policy

Rockingham Beach Primary School 2023 Dress Code / Uniform Policy

The Rockingham Beach Primary Campus community believes a school dress code:

- fosters and enhances the public image of the campus;
- assists in building school and team spirit;
- allows quick identification of our students and promotes a safer school environment;
- ensures students are safely dressed for specific school activities;
- promotes equity among students; and

- fosters an understanding amongst students that being suitably groomed is an expectation of any future workplace.

The School Board strongly supports the school in insisting that all children wear the approved school uniform, with particular reference to excursions and interschool sporting activities. Students not following the dress code may be denied the opportunity to represent their school at official school activities including choir, sporting and social events.

Families who may experience financial difficulties regarding the purchase of a uniform should contact the Principal.

Children are required to wear suitable footwear for health and safety reasons. Appropriate footwear includes sandals, joggers, shoes and socks. Inappropriate footwear includes high heels or platform shoes, thongs or slip-ons and ugg boots. Sandals are not considered appropriate during winter and autumn.

Make-up and Hair Styles: When students are in uniform, make-up (mascara, nail polish etc) is not to be worn. While the school recognises that students may like to express their individuality through

wearing a range of hair styles, radical hairstyles are discouraged and the colouring of hair (with the exception of temporary colouring for school sports days) is not acceptable or compatible with the school uniform philosophy.

Jewellery: Department of Education policy discourages the wearing of jewellery to school. Dangling earrings, long necklaces and bracelets can become a personal safety issue. If children need to wear rings or bracelets for health or specific reasons, parents are required to write a note explaining the reason.

No responsibility will be accepted by the school for the loss or damage of jewellery.

Modification to the Dress Code Students who, for religious or health reasons, may wish to modify the school dress code are required to make an appointment with the Principal. Staff will be informed of any student granted a modification to the dress code.

Non-compliance with the school dress code A note will go home advising parents/caregivers when an item does not comply with the dress code.

Mobile Phone Policy

Student Mobile Phone - Policy

The Department of Education does not permit student use of mobile phones in public schools unless for medical or teacher directed educational purpose.

It is important to note that it is not a requirement at our school for students to have a mobile phone at school.

Our school recognises that an increasing number of parents/carers who for safety, security and/or emergency purposes wish to provide their children with mobile phones. This policy details the conditions under which mobile phones are permitted at Rockingham Beach Primary School.

Conditions of Use

- The use of mobile phones for all students will be banned from the time they arrive at school to the conclusion of the school day. This includes before school and at break times. Students are not permitted to have mobile phones in their possession during the school day.
- Mobile phones must be switched off and taken to the administration office before the school day begins and collected at the end of the school day. Our office staff will securely store student mobile phones during the school day.
- The school accepts no responsibility for any loss or damage incurred to phones brought to school

Exemptions and Communication

- Exemptions to this ban include where a student requires a mobile phone to monitor a health condition as part of a school approved documented health care plan.
- Smart watches must be in “aeroplane mode” so phone calls and messages cannot be sent or received during the school day.
- While at school students are the responsibility of the school. All communication between parents and students during school hours, should occur via the school’s administration.

Rockingham Beach Primary School has duty of care for all students when they are attending the school. In emergencies, where students need to get in contact with parents/carers, students are to notify the appropriate school staff. If parents/carers need to contact their children, they are required to contact the school directly.

Breaches of this Policy

- Breaches of this policy will be managed in accordance with the *School Behaviour Management Policy and Procedures*.
- Students who do not comply with this policy will have their mobile phone confiscated and held at the administration office. The parent/carer will be informed and requested to collect the mobile phone at their earliest convenience.
- In the case of repeated inappropriate mobile phone use by a student, the principal may request the withdrawing of the mobile phone from the school for a determined period or permanently.

Further Guidance

For the purposes of this policy, ‘mobile phones’ includes smart watches and associated listening accessories, such as, but not limited to, headphones and ear buds.
